

# ITK Commerce Starter Packs

## Top Tier eComm Solution in Record Time

Get started with one of the top eComm solutions, Microsoft D365 Commerce, in the time it would take for a bare bones offering. This includes the features you need to get your store up and running and earning revenue.

### Standard Starter Pack

Full POC site in 5 weeks or less

Ideally for retailers, wholesalers and brands with up to 3k transactions per month or up to 36k transactions per year.

- **Must have D365 FO already deployed (with legal entity, items, customers)**
- Adyen payment connector only
- No item variants or serialized items
- Item images must already be in the proper format
- Out of the box features only
- B2B or B2C
- Services Only - licensing costs apply
- 1 site

### Premium Starter Pack

Full POC site in 9 weeks or less

Ideally for retailers, wholesalers and brands with up to 17K transactions per month or up to 120k transactions per year.

- **For customers with D365 FO not currently installed - 1 legal entity**
- Adyen payment connector only
- Item variants and serialized items allowed (with some limitations)
- Item images must already be in the proper format
- Out of the box features only
- B2B and B2C
- Services Only - licensing costs apply
- 1 site
